

Deep Offset Box End Wrenches

Staying true to Cementex's drive to offer the tools you need to work safely and efficiently, we have proven it again with our Cementex Deep Offset Box End Wrenches which feature a continuous outer layer of orange insulation to provide a smooth transition between the dual-layer and single-layer portions of each tool.

- 60° offset to help in accessing those hard to reach bolts and nuts
- Slender head allows access to tight locations
